[TO WHOM IT MAY CONCERN]

Dear **PRANAV KHASPA**

We are pleased to extend to you an internship opportunity at **XYZON Innovations Private Limited** as a **Agentic AI**. This program is designed to strengthen your technical skills, gain practical exposure and prepare for future career opportunities.

Position: Agentic AI

Duration: 3 Months

Start Date: 21.05.2026

Location: Remote

Benefits: On successful completion, you may receive a Completion Certificate and a Letter of Recommendation (LOR). Exceptional performance may also lead to a full-time opportunity.

During the course of this internship, you will be involved in AI/ML model development, data preprocessing, algorithm design and project deployment while collaborating with our development team. We expect you to demonstrate professionalism, problem-solving ability, coding discipline and a strong willingness to learn throughout the program.

To confirm your acceptance of this offer, kindly send your confirmation to **apply@xyzon.in**. Please note that this offer letter serves as confirmation of your selection. Certificates and official recognition will be issued only upon successful completion of the internship requirements.

We look forward to your active contribution and wish you success during your Internship with us.
